§12.5–301.

Each licensed locksmith shall include on each invoice or receipt for services the following information regarding each service call:

- (1) the address where the services were provided by the locksmith;
- (2) the type of lock being serviced;
- (3) the vehicle identification number, if applicable;
- (4) the quoted cost of the service provided to the customer prior to agreeing to provide the service; and
- (5) the actual cost of the service paid by the customer.
